MINUTES

David Whitworth moved to approve the minutes from the April 21, 2004 meeting. Opal Kuhl seconded and the motion was approved by voice vote.

Access Permits

Tim Balensifer spoke about Eagle's Nest access permit request for street access onto SR 26 E. He stated that 4000-5000 vehicles would be accessing this subdivision.

There was discussion among the group regarding the access and design. Discussion included vacating the existing Pineview Lane access point, entrance safety and connection to the church's subdivision street.

Jon Fricker stated that no action was necessary.

Tim Balensifer stated they would proceed with a formal application to INDOT.

FY 2005 TIP-Progress Report

Doug Poad reviewed the funding changes resulting from a transposition of numbers. He also reviewed the priorities set at the April meeting. He also discussed a timeline for adoption.

Study Progress

Doug Poad gave an update of the progress of the Land Use Survey.

The following items were also discussed: collision diagrams; HES grants; 2002 accident data; review of INDOT Long Range Plan; and HPMS routes.

Doug Poad also talked about the work staff would be doing on the ITS Architecture.

Other Business

A. Jim Knapp reviewed Purdue road closings for summer road projects. He stated the website for this information was:
